## *A Great Start To The Year!!!!!!!!!!!!!!!!!!!!!!*

The year has started with good cast numbers in both big Tiv and Tivolettes.

The "Hooray For Hollywood" show is nearing the end of it's season. The cast have worked hard and Norma has done a great job of directing a show that reflects bygone era so many of our audience relate to.

Our Tivolettes have had their opening cabaret and it was a great show and went off without a hitch. Well done to the cast and congratulations to Yvonne on her first show and thanks to Bec for assisting and Barbara and Norma for helping with the tap numbers.

Martin informs us that George is mourning the loss of his much beloved Mildred and asks everyone to raise their glasses to toast her!!!

## *Updating Website*

Our web master Bob Sharpen has a new program and would like to update the pictures on the website. To do this we need good quality pictures.

If any one has good quality pictures of cast from any of the shows performing shots or still if they are nice clear bright pictures It would be great if you could put them onto a CD and get them to Sandy so Bob can view them and see if they are suitable.
